

From

The Secretary,
Haryana State Board of Technical Education,
Bays 7-12, Sec-4, Panchkula

To

The Principal(s),
All Govt./ Aided/ Self Financing Polytechnics in the State of Haryana

Memo No.: 808 /Exam/HSBTE

Dated: 07/09/2018

Subject:- Assessment and Question Papers pattern for 1st year students of branches having Annual pattern (except pharmacy).

Kindly refer to the subject noted above.

You are aware that Board has decided to run all the diploma courses on annual pattern with continuous evaluation for the 1st year w.e.f. 2018-19. The continuous evaluation system has been adopted for annual pattern curriculum for the 1st year in which the student shall be evaluated for 20% of the syllabus (as defined in curriculum) in the 1st Assessment, for next 20% of the syllabus (as defined in curriculum) in the 2nd Assessment and for remaining 60% syllabus in the final Assessment (Final Exam). There is 40% weightage of 1st and 2nd Assessment and hence the question papers for 1st and 2nd Assessment will be provided by the Board and evaluation will be done by the subject teachers under supervision of Board. 1st and 2nd Assessment for all branches of 1st year (except Pharmacy) will be got done of 40 Marks each and average of both (1st and 2nd) Assessments will be considered by the Board. The following Pattern of question papers for 1st and 2nd Assessment of 1st year student has been finalized by the Examination Committee of Board:

Sr. No.	Part	No. of Questions to be given in the Question paper	No. of Questions required to be attempted by the students	Marks of Each Question	Total Marks
1	A	08	06	02	12
2	B	07	05	04	20
3	C	02	01	08	08
Total		17	12		40

In this regard it is further clarified that there is 40% weightage of 1st & 2nd Assessment and these Assessments are at par with Final Examination. Hence students have to appear in the 1st and 2nd Assessment strictly as per schedule notified by the Board and in case any student miss (due to any reason) any particular assessment then being component of final exam there will be no further chance to that student

and he/she will be treated as absent in that assessment and zero marks will be awarded to the student in that particular assessment.

Further as per new study and evaluation scheme of 1st year, there will be 60 Marks Final Assessment. The Board will conduct the examination for 60 Marks and the pattern of question papers of 60 Marks Final Examination for all branches (except Pharmacy) of 1st year will be as below:

Sr. No.	Part	No. of Questions to be given	No. of Questions required to be attempted by the students	Marks of Each Question	Total Marks
1	A	10	10	01	10
2	B	07	05	02	10
3	C	08	06	04	24
4	D	03	02	08	16
Total		28	23		60

Principals of all polytechnics are requested to bring the same in the notice of all stakeholders by displaying on the notice boards as well as on the Website of Institute.
